By signing below I indicate that I have read and understand all of the terms on both sides of this contract. I understand that this contract is an agreement for only those services listed under the heading "services included." Furthermore, I understand that all pricing listed on this side of the contract reflects "a la carte" purchases, and separate payment will be required for any orders placed.

The client is responsible for selecting 60-70 images from their proof set to be used in the wedding album within 30 days of their online proof set being made available. If selections are received in time, Payment 3 will be reduced by \$100.

If this contract is returned *with Payment 1* to Phil Seaton in an envelope bearing a postmark no more than 3 days later than the photographer's signature below, a free "engagement session" will be included, subject to availability and scheduling prior to the wedding. The 90-minute session will take place at any location of the client's choosing within a reasonable distance of Cambridge, MA, and digital proofs will be provided. Approximately 40 4x6" prints will also be provided, all free of charge.
